

Why Join?

Organic gardening is of massive interest to the general public.

Accordingly, many horticultural businesses and individuals need to understand the principles of organic gardening in order to respond to clients demands. As a result, HDRA the national charity for organic gardening and horticulture is frequently being contacted for both expertise and support.

In reply to the demands of the horticultural industry HDRA has developed the Commercial & Professional category of membership to service the requirements of professional horticulturalists through their own membership scheme.

Who should Join?

Anyone who makes their living from horticulture and who is, or wants to be organic.

This includes:

- Head & Professional Gardeners
- Garden & Landscape Designers
- Local Authorities
- Garden Centres & Nurseries
- Land Owners
