giftaid it — Gift Aid: boost funds at no cost to you

The Gift Aid Scheme enables us to claim back any tax already paid on a gift of money, no matter how large or small.
Using Gift Aid means that for every pound you give, we currently get an extra 25 pence from HM Revenue & Customs. This means that £10 can be turned into £12.50 as long as donations are made through Gift Aid. Imagine what a difference that could make and it doesn't cost you a thing.

Garden Organic Gift Aid declaration

If you want your donations to go further giftaid it

☐ ***Yes***, I want to give more at no extra cost to me.

Date: ..... ☐ I am not a UK tax payer.

Please treat all gifts of money that I have made in the past six years and all future gifts of money that I make from the date of this declaration as Gift Aid donations; You must pay an amount of income tax and/or capital gains tax in each tax year at least equal to the tax that Garden Organic will claim from HM Revenue & Customs on your Gift Aid donation(s). The tax reclaimed will be used to fund the whole of Garden Organic's work.
