

## Literacy Activities

### Seed growing instructions

- Have a look at the different seed packets.
- Are there any words that you don't know?
- Can you spot the keywords?
- Use what you have found out to help write your own instructions for growing seeds.

### Describing seeds

- Take a look at the seed catalogues.
- Examine your seed.
- Make a list of words that describe your seed.
- Write your own seed description.

## Writing Poems

Use a seed head, vegetable or plant from the garden.

- 
- What is it?
  - Describe what colour is it?
  - Describe it's shape?
  - How do you think it moves?
  - What does it make you think of?
  - What might it grow into?
- 
- 

Write each answer on a new line to create your own poem.
