

@GOComposters

Compost

Don't know where to start?

Compost already, but want to improve?

What can I compost?
Which bin should I use?
Where should I put it?
How long does it take?
Will it smell?

Master Composters are here to help!

Contact your local Master
Composter:

Name:

Contact details:

Garden Organic, the
UK's national charity
for organic growing, in
partnership with your
local council supports
volunteer Master
Composters in your area.
